TALK OF THE TOWN.

Local Happenings Tensely Told For Busy Readers.

Clearance sale at Abbott's. Handkerchiefs, 2c, at Abbott's. Bargains in remnants at Perry's. Let the children hear Carmen's Italian Boys sing next Thursday night.

Mr. and Mrs. David O'Keefe of Brattleboro, who have been visiting relatives in Granville, returned home this afternoon.

The basket ball team of the local Young Men's club left this noon for St. Johnsbury, where they will play Company D of V. N. G., this evening.

The Universalist Juniors will be given a party in the church vestry Thursday afternoon, from two to four o'clock. Every Junior is cordially invited to be present.

The new state's attorney of Washington county, S. Hollister Jackson of Barre, has begun a war on the bucket shops in his territory and report has it that Mr. Jackson purposes to clean out this class of gambling so far as the law will allow. The prosecuting officer will have the people back of him in his endeavors in this direction as the bucket shop is a most dangerous public nuisance.—Northfield News.

TALK OF THE TOWN.

See Abbott's bargain tables.

It will do you good to hear Carmen's Italian Boys.

Hiram Averill returned to Dartmouth college at Hanover, N. H., today after visiting at his home during the holidays.

L. Morandi leaves tomorrow for New York to take passage for Italy to spend the winter.

John Harrington, Jr., who has been visiting his brother and sisters in the city, left this noon for Boston, where he is employed.

S. Scampini, who has been visiting his brother, Angelo Scampini, for a few weeks, returned to his home in Concord, N. H., yesterday.

The A. O. H. will have a public installation of officers at their meeting on Thursday evening, Jan. 5, in Knights of Columbus hall. Following the installation there will be an entertainment and dance.

The ladies of Clan Gordon who have been holding their meetings in the Foresters' hall in the Worthen block held their first meeting last evening in the Odd Fellows hall, the same hall which the Clan is using. At the finish of the ladies' meeting the Clansmen walked in unexpectedly and passed a very enjoyable social hour.

SOUTH RYEGATE.

The week of prayer will be observed by union meetings three nights the first of the week in Rev. J. H. McArthur's church and the last three in Mr. Wallace's church.

Mrs. James Brown, who has been sick for a long time, died on Monday afternoon. Her trouble was cancer of the stomach. Her husband died of the same trouble some fifteen years ago.

Peach Thomas received word by wire last Saturday that his uncle, James Thomas of Lebanon, N. H., 88 years old, had just passed away. His funeral was held on Sunday, at Lebanon.

Adna N. Terry returned to his business in Hartford on Tuesday, after spending a very pleasant ten days among his many friends. Adna is one of the boys that will always be welcomed back.

Dr. George W. Darling has been confined to the house for a few days, but was out on Monday of this week calling on patients, when he should have been in bed. But he is all the doctor we have and is called on from all quarters and has more driving to do than any one man is able to stand.

John O'Rourke, youngest son of James and Julia O'Rourke of this place, who is a travelling salesman for a New York dry goods house, returned to his business Tuesday after spending a pleasant week with his many friends here. His sister, Julia, was also at home through the holidays. John is a bouncing big lad and we think he will tip the scales at about 240 pounds.

Rev. M. E. Hawes, a retired preacher who has lived on Jefferson Hill for the past two years, died last Friday night after a very short illness. He was 86 years of age and a very active man for his age, but pneumonia took him off with but about three days sickness. A prayer service was held at his late home on Sunday afternoon and his remains were taken to Somerville, Mass., on Sunday night. His wife will not return until spring.

A quiet wedding took place at Rev. W. S. Wallach's house last Saturday afternoon. Roswell Plummer and Miss Lena Murdock were the contracting parties. Mr. Plummer is one of our town people but has worked in Woodville, N. H., of late and found his wife there. They will spend a short time in town at Mr. Plummer's parent's and settle down to business in the near future. Mr. Plummer is a carpenter by trade and will not be idle long as he is a stirring fellow and will not rust out. He has seen too much of the world, having made two trips to California.

Moses Clark, a life long resident of Newbury, passed away very suddenly last week Thursday, and was buried on Saturday. He was upwards of 80 years old and leaves a wife and several children. Mr. Clark, of the firm of Deming & Clark of Wells River, is one of the youngest, a Mrs. Ned English of Lisbon is another and the writer used to know several more of the family, but they are scattered over this broad country and we have lost track of them. But we had a very pleasant and friendly acquaintance with Moses Clark and his wife and our sympathy is with the widowed and fatherless.

Testing Cables by Roentgen Rays.
A novel application of the Roentgen rays to the testing of submarine cables has recently been made in Europe and has been found useful in determining defects and imperfections which might cause a breakdown of the cable and involve considerable expense for repairs, says Harper's Weekly. The apparatus consists of a Roentgen ray tube, above which is fluorescent screen, while the cable to be tested is passed through guides just below, so that a shadow is cast on the screen. The cable is allowed to run through the testing apparatus, and the observer looks for any indication of a fault in the shadow. Foreign substances, air bubbles or bad joints in the rubber or gutta-percha insulation are readily detected and may be remedied at the works.

Japan's Work in China.
A French consul in China says that the Japanese are doing much work in China and that its effects are already being felt and must be disquieting to Europe. The Japanese are organizing the country and everywhere instructing the people, and these instructors act as spies in the various European concessions.

King Edward's First Prayer.
The following are the exact words of the first prayer Queen Victoria put into the mouth of her eldest son and heir: "Oh, Lord Almighty, graciously condescend to hear my first prayer! May old England, my beloved and noble country, be always powerful and happy."

Billiard Balls.
It does not look reasonable that six to twelve months should be needed to make a billiard ball, but a first class ball cannot be made in less time, owing to the tendency of carved ivory to shrink.

Notice to the Public.
Having secured the meat department of the store formerly occupied by the Co-operative store, No. Main street, we are about to move our stock of goods. In the meantime we shall have a complete line of meats in both stores. Respectfully yours, Meeker Bros.

Keep Thinking About It.
Cough Syrups that are constipating leave the stomach and bowels in a dangerous condition. A cough syrup that is a laxative is sure to give better results. Lix-all is a laxative, and if it fails to cure your cough or cold we will pay back your money. D. F. Davis, Barre. E. A. Drown, Barre. F. A. Almsworth, Williamstown.
